REGISTRATION FORM

The Most Super Obstacle Course Race!

Don your cape, bring out your mask, or put on your favorite pair of spandex tights, and join us for the inaugural Superhero Heart Challenge. This event is a family-friendly obstacle course race that challenges participants to over a dozen obstacles across three miles of terrain. It doesn't end there though. During the event, special games and activities will take place in the Vendor Village that are perfect for the whole family - not just those with super speed!

On October 28, we will harness our Halloween spirit for an event that allows participants to dress up in any super manner they desire. Funds from registration and sponsors will go toward the American Heart Association Cleveland Young Professionals Board goal of reducing heart disease by promoting a healthy diet and lifestyle.
